

The CPA Plan Audit Prospecting ReSource

The **CPA Plan Audit Prospecting ReSource** offers Plan Auditors a powerful and valuable data mining tool that provides an intuitive approach to competitive opportunity analysis.

This **ReSource** gives you the ability to quickly identify potential new clients and grow your practice.

The foundation of **The ReSource** is a comprehensive database of all audited benefit plans that includes information on plan sponsors, auditing firms as well as instant access to over **80,000 audit reports and Form 5500 filings**.

Data is also searchable on over **30,000 plans with no audit yet with more than 80 participants**.

The ReSource allows you to customize your search and analysis by categories such as Audit Firm, Plan Type, Sponsor Type, Asset Range and other criteria. You can also easily visualize your opportunities and competition using our dynamic mapping tool.

Our revolutionary platform empowers you with a state-of-art and user friendly interface giving you access and insight into the database rich with opportunities.

Advantages for your business

- Quickly identify and create new client relationships
- Enhance your understanding of the marketplace and your competition
- Benchmark your work by reviewing audit reports prepared by peer firms

All of this brought to you by the ERISA compliance focused professionals at **ERISApedia.com** at a very affordable price!

Join other successful CPA practices and put some powerful intelligence behind your business development efforts.
