

The **Plan Audit Prospecting ReSource** offers Plan Auditors a powerful and valuable data mining tool that provides an intuitive approach to competitive opportunity analysis.

The ReSource is a comprehensive database of all audited benefit plans that includes information on plan sponsors, auditing firms as well as instant access to **over 80,000 audit reports and Form 5500 filings**. Data is also searchable on **over 30,000 plans with no audit to date**, with more than 80 participants.

All of this brought to you by the ERISA compliance focused professionals at ERISApedia at a very affordable price.

Join other successful CPA practices and put some powerful intelligence behind your business development efforts.
